

LAKE WINNIPESAUKEE  
ASSOCIATION  
*Keep Winni Blue*

## Lake Winnepesaukee Community Cleanup

The Lake Winnepesaukee Community Cleanup (LWCC) was formed in 2018 by a group of individuals with a passion to preserve the beauty of the lake and keep it clean for generations to come. For the past 5 years, the LWCC has held a cleanup event each spring, collecting over 8 tons of trash each year from around the lake.

This year the Lake Winnepesaukee Association and the LWCC are joining together in our shared vision and work to **"Keep Winni Blue"**! **We are seeking gifts/items to raffle off to our amazing and dedicated volunteers who come out to help cleanup the lake!**

All proceeds and donations go directly to the Winnepesaukee Community Cleanup event on May 13, 2023.
