

NAVIGATING SMOOTH SALES: HB 113 AND NH WATERFRONT SEPTIC COMPLIANCE

YOU'RE INVITED!

Join us for an informative session with **Dave Aiton, the Compliance & Outreach Supervisor** for the Subsurface Bureau of the New Hampshire Department of Environmental Services (NHDES).

Discover How To:

- Navigate documentation and timing requirements
- Understand liability and compliance responsibilities
- Prepare for seasonal challenges and permitting delays
- Clarify realtor roles, disclosures, and contract language
- Learn what options exist when septic replacement is delayed
- Find out how to share feedback and stay involved as HB 113 is implemented

VIRTUAL WEBINAR

Online via Zoom

Wednesday

June 18, 2025

12:00pm – 1:30pm

This meeting will be recorded and uploaded to LWA's YouTube page for those unable to attend
